

# **Yorke Peninsula's Saltwater Classic 2020**

## ***Impact of Coronavirus Issues***

**The organising committee of Yorke Peninsula's Saltwater Classic met on Tuesday 17 March to consider the impact of the global coronavirus emergency on planning for the next event scheduled for 2 and 3 May 2020. The committee resolved the following:**

*It has been decided to defer the 2020 event indefinitely until coronavirus health issues are resolved. A new date for Yorke Peninsula's Saltwater Classic will be determined at an appropriate time to ensure the event is presented in a safe and welcoming environment.*

*This decision is to ensure that Yorke Peninsula's Saltwater Classic is compliant with current Federal and State Government public health directives relating to coronavirus issues.*

*Entrants who have paid an entry fee, along with exhibitors and sponsors, will be notified of the extraordinary circumstances that have driven this decision.*

*Refunds on entry fees will be paid if requested or held by agreement for entry for the next event when a new date is determined.*
